## Bookstore Basics

- Our team will help your student get the right books when they come in the store with their schedule. The advantage to buying from us: the right books and no-hassle returns.
- Many payment options are available including cash, check, credit card, debit card, in-store gift cards and financial aid.
- Our store offers textbooks in paper or digital format and also the opportunity to rent most books. Rental books can be used like any other book - you can highlight and write in the margins. The book must be returned by the last day of finals in good condition. To rent books, a student must be at least 18 and have a current credit card to be swiped as collateral.
- Price match for Amazon (must be an Amazon price, not a 3<sup>rd</sup> party selling on Amazon) or Barnes and Noble pricing on textbooks is offered. We will issue a gift card for the difference in price and the gift card can be used for anything in the store. (i.e. Our book price is \$10, Amazon has it for \$5.00. You will pay the \$10.00 for the book and be issued a store gift card for \$5.00).
- Textbooks or apparel can be ordered through the bookstore online at [www.coecollegeshop.com](http://www.coecollegeshop.com). Orders may be picked up in the store with no charge for shipping. If you wish to have the items shipped to your home, there is a charge for shipping. After your order is successfully placed, you will receive a confirmation email with an order number and another e-mail when your books are ready for pick-up.

If you have questions, feel free to call or email.
